

## Guest Player Policy

Any player requesting to play for another club will be reviewed by the Club Directors on a player-by-player basis. A player's priority is to honor the commitment to their team and to James Island Youth Soccer Club. If a player chooses to guest play for another club without the Club Directors approval, they will be in violation of club rules and will be subject to sanctions at the discretion of the club's directors. Due to the different rules among youth soccer governing bodies, leagues and tournaments, guest player must be processed by the JIYSC registrar, [rhedley@jiytc.org](mailto:rhedley@jiytc.org) who will assist with director approval and required documents. A player with delinquent club or team fees will not be eligible to guest play.
